AUDIENCE OF PUBLIC

Michael Truster- 3555 Mill Rd. spoke against placing a memorandum on the public use of buildings as he feels schools will close again due to the pandemic and with nearly half of Wayne Township not having adequate internet he would suggest allowing those families to access the building for educational purposes for those families. Bill Jones explained that a memorandum can be re-assessed at any time, but feels we would need to discuss this with health department before even considering.
