RESOLUTION NO. 23-2025

WHEREAS, a request has been made to the Board of Trustees that the statutory vehicular speed limit established by Sec. 4511.21 of the Revised Code of Ohio is greater than considered reasonable and safe on Oxford Middletown Road between Wayne Milford Road and Waynes Trace Road and;

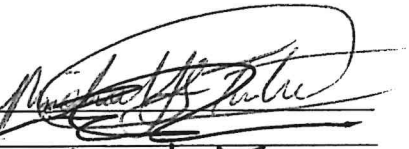

WHEREAS, this Board has caused to be made an engineering and traffic investigation upon the section of road described above, and

WHEREAS, it is the belief of this Board that such investigation confirms the allegation that the statutory speed limit of 55 mph is unrealistic,

NOW THEREFORE, BE IT RESOLVED by the Wayne Township Board of Trustees in Butler County, Ohio, that:

Section 1. By virtue of the provisions of Sec. 4511.21, Revised Code of Ohio, the Director of Highways has reviewed the engineering and traffic investigation and determined and declared a new reasonable and safe prima facie speed limit per Revision No. 45774 on Oxford Middletown Road between Wayne Milford Road and Waynes Trace Road in Butler County, Ohio. Upon installation of standard speed zone signs, properly posted, and giving notice to local law enforcement, the approved reasonable and safe prima facie speed limit of 35 MPH shall be in effect.

Trustee Ed Truster moved for the adoption of the foregoing resolution. Trustee Mike Truster seconded the motion and upon call of the roll, the vote resulted as follows:
